Apply For Nauru Citizenship

Program

Nestled in the heart of the Pacific, Nauru stands as a testament to resilience and innovation. As the world's smallest independent republic and third-smallest country, our nation is pioneering a unique approach to citizenship that combines economic growth with environmental stewardship.

The Nauru Economic and Climate Resilience Citizenship Program offers discerning investors the opportunity to acquire citizenship in a peaceful island paradise while contributing to vital national development initiatives. By participating in this exclusive program, you are securing a valuable second passport as well as playing a crucial role in shaping a sustainable future for Nauru and the broader Pacific region.

Key Benefits

- A politically neutral alternative passport to travel on, providing a valuable safety net during times of global instability
- Visa-free access to strategic global destinations, offering greater travel flexibility
- A spouse and dependents (including parents and siblings) can be included in your application, ensuring easier, safer travel for your whole family
- A contribution to climate crisis solutions in the South Pacific, where small island states such as Nauru face rising sea levels and biodiversity loss
- Unrestricted dual citizenship and no minimum stay or visit requirements

Contribution

The Nauru Economic and Climate Resilience Citizenship Program offers a straightforward pathway to citizenship through a contribution to the country's Treasury Fund. For a limited time, the contribution amount for the Principal Applicant has been reduced to USD 90,000.

Additional fees apply. Please visit the program website for a comprehensive fee schedule.
